

## Call Return

Easily Dial Your Last Caller—Even If You Didn't Answer.

This service is conveniently available on a monthly subscription as well as on a per use basis.

### How it works:

If you can't get to the phone in time, you can still find out who called. Return the call by dialing a simple code.

### How to use:

1. Lift the handset and listen for a normal dial tone.
2. Press **\* 6 9** (On a rotary dial phone, dial 1169.)  
A recorded voice will give you the phone number of the call you missed and ask if you want to use Call Return. Just follow the voice instructions.  
*If the line is busy, or there's no answer:*
3. Hang up. Your phone will keep trying the line for up to 30 minutes.
4. A special callback ring alerts you if the line becomes free. (Some phones ring normally.)
5. Lift the handset to automatically place the call.

### To cancel your Automatic Recall request:

1. Press **\* 8 9** (On a rotary phone dial 1189.)
2. Listen for the confirmation tone or announcement. Hang up.

**Notes:** Does not work on 800 numbers, 900 numbers, outside the specified service area, or lines where Call Forwarding and some other call services have been activated.
