

Local Calling

Your Local Calling Area.

Cox Digital Telephone service has made local calling simpler and less expensive. One low monthly rate allows you to call within your local calling area.

Beyond Local Calling

Local Toll Calls.

Calls made to numbers beyond the local calling area are billed on a per-minute basis. Cox Digital Telephone and Cox Long Distance have done away with confusing time-of-day rules. There are no monthly fees. No restrictions. No gimmicks. Plus, with Cox International Savings Plan you'll find international calling rates that are among the lowest in the industry.*

Cox Digital Telephone Calling Card

Simply A Better Calling Card!

Stop paying per call service charges every time you use a calling card! End the mystery of how much you'll be charged for a call. With the Cox Digital Telephone Calling Card, there is no per call surcharge for calls within the United States. Plus, calls are a flat per minute rate, no matter where you call within the U.S! Perfect for when you're on the road and need to make a call!

The Cox Digital Telephone Calling Card gives you the convenience of making local and long-distance phone calls while you are away from your own phone. These calls are then billed on your monthly Cox Digital Telephone bill.

Cox Digital Telephone Calling Cards are available at no charge.

Please contact us or visit our website www.cox.com to order your card today.

*Prices effective 4/16/01. Subject to change.

¹Although there is no per call surcharge associated with the calling card, a \$0.30 surcharge applies for all card calls originating from pay phones. Subject to change.
